

ÖZYEĞİN UNIVERSITY
DIRECTIVES ON INTERNATIONAL STUDENT ADMISSIONS TO UNDERGRADUATE PROGRAMS

Purpose

ARTICLE 1 - (1) The purpose of these directives is to set forth the principles for international student admissions to undergraduate programs offered by the Özyeğin University faculties.

Scope

ARTICLE 2-(1) These directives cover the terms and conditions pertaining to the quotas as well as the application, evaluation, admission, and enrollment processes applicable for international student admissions to the Özyeğin University undergraduate programs.

Legal Ground

ARTICLE 3 -(1) These directives are prepared pursuant to the Article 14 of the Higher Education Law No:2547.

Definitions

ARTICLE 4 – (1) For the purpose of these Directives, the following terms shall have the following meanings hereinafter:

- a) Faculty: Faculties of Özyeğin University,
- b) English Preparatory Program: Özyeğin University English Preparatory Program,
- c) English Proficiency Examination: Özyeğin University English Proficiency Examination,
- d) MEB (MNE): Ministry of National Education
- e) Student Services: Özyeğin University Student Services Directorate,
- f) President: Özyeğin University President
- g) Senate: Senate of Özyeğin University,
- h) International Office: The International Office of Özyeğin University,
- i) University (OzU): Özyeğin University,
- j) International Admissions Committee: Application, evaluation, and admission committee for international students

Quota:

MADDE 5 – (1) The international student quota of each undergraduate program is determined with the resolution of the Board of Trustees of Özyeğin University upon the recommendation of the Senate, and takes effect pursuant to the approval of the Higher Education Council (YÖK).

(2) In absence of any applications to the relevant program or in the event the quota is not filled, the Senate may reallocate any unfilled or unused quota to other programs within the same faculty.

Key Application Requirements

ARTICLE 6 – (1) Students must be either in the senior year of high school or must have graduated from the high school at the time of application. Applications of students who satisfy the nationality and educational background requirements listed in the Principles of International Student Admissions published by the Higher Education Council are accepted.

(2) The nationality and educational background requirements are announced on the university website.

Examinations, Base Scores, and Diplomas Required for Applications

ARTICLE 7- Eligible applicants must meet the requirements for national or international examinations or diplomas and base scores listed in Attachment 1. New examinations or application requirements can be included upon the resolution of the Senate.

(2) High school exit examinations (such as Abitur, International Baccalaureate, GCE, Tawjihi etc.) do not have any limitation on the period of validity. The validity period of university entrance examinations, however, (such as SAT) is two years.

(3) Prospective students from countries not listed among the application requirements are also eligible to apply so long as they can submit their General High School Diploma.

Application Process and Documents

ARTICLE 8- (1) Applications are submitted online via the application page within the announced

application period with the application documents listed below.

(2) If application documents are prepared in a language other than Turkish or English, their notarized translation into Turkish or English must also be attached to the original document.

- a. If graduated, the high school diploma;
- b. Transcript showing all courses taken and grades achieved during high school education;
- c. If available, proof of Turkish and/or English proficiency listed in Article 14 and 15;
- d. Copy of the pages from the passport that have a photo and identity information;
- e. Letter of intent,
- f. For Turkish nationals who completed their high school education abroad: A barcode-verified arrival and departure record (entry and exit record) downloaded from the e-Devlet (e-Government) portal, covering the entire period of study at the respective high school.

(3) Depending on the applied academic program, any additional document that might be required by the University are announced on the university website. The additional documents, if any, must be submitted at the time of enrollment.

(4) Applications of prospective students who do not satisfy the application requirements and who fail to complete necessary application information and documents within the announced dates are not processed. Amendments and attachments to application information and documents are not allowed after the end of the application period.

(5) Prospective students may be requested to prove the accuracy of information and documents submitted at the time of application or the University may directly investigate the accuracy of such information and documents. Should it be determined that there are inconsistencies in information and documents provided by prospective students, such students are denied admission even if they are previously admitted, and their enrollments are revoked, even if previously completed.

(6) As a result of preliminary evaluations to be conducted based on the application information and documents submitted, prospective students may be invited for an interview by the respective department, if deemed necessary. Interviews can be conducted on the University's campus as well any other location or via any method the University may deem appropriate.

International Admissions Committee

ARTICLE 9 - (1) The International Admissions Committee is established by the President. The Committee Chair is appointed by the President.

(2) The International Admissions Committee is responsible for reviewing the applications of students who apply to the University through the international student quota, and fulfilling any other duties assigned to them within the scope of the applicable legislation.

Evaluation and Admission

ARTICLE 10 - (1) Applications are submitted to the International Office with the required documents within the announced application period. The International Admissions Committee evaluates applications based on the application requirements and documents specified in Article 7 and 8 of these directives, and accordingly either accepts or rejects applications in line with the available quota.

Notification of Results and Intention for Enrollment

ARTICLE 11- (1) Results are notified to prospective students by the International Office via email. The notification is sent to the email address provided by the student at the time of application.

(2) The International Office sends a letter to all admitted students via email. The letter includes information about the required advance payment procedures and enrollments. In lieu of students who fail to initiate the necessary proceedings or make their advance payment within the announced period, waitlisted candidates, if any, are notified. Advance payments made by students are offset with the tuition of the first semester. Students who make the advance payment but fail to complete their enrollments are not refunded. However, students who are not granted with student visas can be refunded provided that they submit an application to the University with the necessary documentation.

(3) Once the admitted students start their enrollment procedures and make their advance payments, the International Office sends a "letter of acceptance" or an equivalent document which is required for student visa applications.

Visa and Residence Permit Procedures

ARTICLE 12 - (1) Admitted international students must enter Türkiye with their annotated student visas ("Öğrenim Meşruhatlı Vize" in Turkish). Students must apply to the Turkish Consulate located either in their country of residence (or in the nearest country) for their student visa by submitting their letter of acceptance. It is the responsibility of prospective students to complete the student visa procedures and cover any and all relevant costs. Special cases where the student visa requirement is not applicable are posted on the university website.

(2) Students must obtain their residence permits for educational purposes within at the latest one month as of their date of entrance to Türkiye. Students holding a residence permit issued outside of Istanbul must transfer their residence files to Istanbul from the respective city as soon as they complete their enrollment. It is the responsibility of students to complete the necessary procedures for their residence permit and cover any and all relevant costs.

(3) The list of visa and residence permit documents required by the University is determined as per the effective rules and regulations and general instructions of authorized public institutions on international students.

Enrollments and Enrollment Documents

ARTICLE 13 –

(1) Admitted students must apply to Student Services to complete their enrollments. Students are required to complete their enrollments in person within the announced dates by submitting the documents required by the University.

(2) During enrollment, in addition to the original copies of the application documents that were previously submitted and the original copies of the documents that are translated, admitted students are also expected to provide the following documents:

a) The original copy of the high school diploma or, if not available yet, the original copy of the temporary certificate of graduation,

b) **For prospective students who completed their high school education abroad:**

i) Foreign nationals and Blue Card holders must submit the original of their high school diploma bearing an apostille or certified by the embassy or consulate of the country in which the diploma was issued.

ii) Turkish citizens, or applicants holding dual citizenship one of which is Turkish citizenship, must submit the original "High School Diploma Equivalence Certificate" issued by the Ministry of National Education of the Republic of Türkiye, certifying the equivalency of the diploma to that of a Turkish high school.

c) **For prospective international students residing abroad:** An annotated student visa ("Öğrenim Meşruhatlı Vize" in Turkish) issued by the Turkish Consulate in the applicant's country of residence (or, if none, by the nearest Turkish Consulate),

d) 2 passport-size photographs,

e) **For Turkish nationals who completed their high school education abroad:** A barcode-verified arrival and departure record (entry and exit record) downloaded from the e-Devlet (e-Government) portal, covering the entire period of study at the respective high school,

f) **For Turkish nationals who have renounced Turkish citizenship:** Blue card and foreign passport,

g) **For Turkish citizens:** TR Identity Card and Turkish passport,

h) **For dual nationals:** Both the TR and foreign passports, TR Identity Card, and the extract of civil registry record,

i) **For international students:** Passport and, if any, residence permit.

j) Depending on the applied academic program, any additional documents that might be required by the University.

3) Students cannot enroll via mail or with incomplete documents. Students who fail to complete their enrollments within the announced dates forfeit all their rights.

4) Students who fail to pay their tuition and fees within the announced period are not enrolled.

5) Should it be determined that the student has submitted forged or altered enrollment documents or the student has committed a fraud in the university entrance examination, the enrollment of the student is revoked and legal action is taken against the student. In the event the fraudulent student is already graduated, all documents including the diploma awarded to the student are revoked. Such students are not refunded for the tuition and fees that they paid.

English Proficiency

ARTICLE 13 - (1) Students are required to prove their English proficiency in order to be eligible for matriculation to the English-medium undergraduate programs at the University.

(2) Students must prove their English proficiency with the exam score reports of internationally recognized examinations. Such examinations, their validity periods and the minimum passing scores are determined by the Senate. Prospective students must submit their English Proficiency documents at the time of their application to the University. Students who prove their English Proficiency may directly matriculate at their undergraduate programs. Such students are not required to take the English Proficiency Examination administered by the University.

(3) Students who fail to submit any proof of their English Proficiency are required to take the English Proficiency Examination administered by the University. Such students must obtain at least the minimum passing score determined by the Senate.

(4) Students who fail to submit the score reports of the aforementioned examinations or who fail such examinations are required to attend the English Preparatory Program of the University.

(5) English Preparatory Program students are subject to the Rules and Regulations for the English Preparatory Program of the Özyeğin University School of Languages.

Turkish Proficiency

ARTICLE 14 (1) Students who are enrolled in partially or wholly Turkish-medium programs must prove their Turkish proficiency. The following principles apply in determining Turkish language proficiency:

a) Students who obtained at least B1 (Intermediate) level score in the Turkish Proficiency Examinations administered by Turkish Language Teaching Center (TÖMER) or any other examination centers accredited by the Higher Education Council may start their undergraduate programs.

b) The Turkish proficiency requirement is not applicable to students who document that they completed at least the last three years of their secondary education in Türkiye, or at institutions abroad affiliated with the Ministry of National Education of the Republic of Türkiye where the language of instruction is wholly or partially Turkish. Students who completed their secondary education at institutions where the language of instruction is not Turkish are required to submit a Turkish Language Proficiency Certificate.

(c) Applicants who are naturalized citizens of the Republic of Türkiye and completed their secondary education at institutions abroad that are not affiliated with the Ministry of National Education of the Republic of Türkiye are required to submit a Turkish Language Proficiency Certificate.

(d) Documents submitted by students regarding the language of instruction at the secondary education institution they attended are evaluated by the School of Languages during the enrollment process.

Period of Study and Dismissal from the University

ARTICLE 15 - The regular period of study in the English Preparatory Program is one year, while the maximum period of study is two years. The regular period of study in undergraduate programs is four years, while the maximum period of study is seven years. Students who fail to successfully complete their programs by the end of the maximum period of study are dismissed from the University.

(2) As per the Rules and Regulations For the English Preparatory Program and the Rules and Regulations for Undergraduate Programs at Özyeğin University, students must renew their registrations in order to attend classes. Students who fail to duly renew their registrations are placed in Inactive (Unregistered) Student status.

During periods in which they remain in Inactive (Unregistered) Student status, students may not attend classes, take examinations, or retain their student privileges, and, where applicable, their scholarships and discounts are suspended.

For students who wish to change their status from Inactive (Unregistered) Student to Registered Student, the required procedures (e.g. course registration, tuition payment, and scholarship/discount) are completed in accordance with the Rules and Regulations specified in this Article.

Periods spent in Inactive (Unregistered) Student status count toward the maximum period of study and the scholarship period. Undergraduate students who remain in Inactive (Unregistered) Student status for two consecutive years within the maximum period of study are dismissed from the University.

Absence of Provisions

ARTICLE 16 – (1) In the absence of any relevant provision in these Directives, the provisions of other relevant legislations and resolutions rendered by the Higher Education Council, Senate, University Executive Board as well as the respective faculty executive boards will prevail.

Abolishment

ARTICLE 17- (1) “The Directives on International Student Admissions to Özyeğin University Undergraduate Programs”, which was approved by the University Senate on May 30, 2014 during its meeting numbered 2014/06, has been abolished.

Effectiveness

ARTICLE 18 -(1) These directives take effect upon the approval of the University Senate.

Execution

ARTICLE 19 – (1) These directives are executed by the Özyeğin University Rector.
